Sonari
Jamshedpur, Jharkhand

Education

Bachelor of Technology in Computer Science & Engineering

SRM Institute Of Science & Technology • Chennai, Tamil Nadu
05/2022

Currently I am completing my courses in Computer Science Major. I have a CGPA of 8.8 in 4 semesters.

Experience

Web Developer

GirlScript Ranchi • Ranchi, Jharkhand
06/2020 - Present

I am responsible for the design of the website of GirlScript Ranchi. Being a core team member, I help in providing my inputs for the events organized by GirlScript Ranchi and help in the smooth execution of the events.

Front End Web Developer Intern

MissionEd • Jamshedpur, Jharkhand
06/2020 - 07/2020

My work here involved with the creation of the landing page of missioned's official website & the UI design & implementation of the dashboard part of the website.

Skills

Web Designing – HTML, CSS, JavaScript **Languages** – Java, Python, C++.
Learning – backend development with NodeJS, Express & MongoDB, ReactJS, Unity AR, App Development with Flutter.
Soft Skills – Leadership, Event management, Content Curation
Industry Skills – Responsive Web Design, Version Control (Git & GitHub), familiar with designing tools like Figma & Adobe XD.

Projects

Covid Tracker for India – I learnt about how to use APIs and made a simple website that displays the covid count in India, updated every hour.
Multi-Mailer – A simple python script used to send emails to multiple people with just one execution. You can also send a HTML designed mail through this.
GirlScript Ranchi Website – I designed and contributed in the development of the GirlScript Ranchi website from scratch.
Meme Share app – A simple API based mobile application that fetches memes from reddit and shows in the app so that you don't have to surf through reddit. It also has a share feature to share the meme through social media apps.
